Attached please find Daniel Faucitt personal bank records for months preceding, including and following the 500k loan transfer. The balance on 16 July speaks for itself in terms of timing.

Peter is intentionally trying to jump to the position of what mental conditions could cause spending on compulsive gambling and porn despite the hard evidence demonstrating all the company IT expenses being paid from my personal account.

Thus the main priority is submitting the actual evidence and refuting the central claim as proven false.

Warm Regards,
Dan

See Attached screenshots from June 2025 & August 2025 showing Rynette Farrar using Pete@regima.com email as "owner" of the account blocking access and preventing further resolution of invoices with account audit trail.
